President Cotter read the following estimates: "The British spend annually about \$709,000,000 in drink, an average of \$19 for each Englishman Germany has 11,800 breweries, which turn out \$43,000,000 gallons of beer. America spends \$909,000,000 for rum and tobacco. The money wasted for drink in Germany, England, and America, would buy all the bread and ment consumed by the three nations. This awful burden compels twice the amount of labor in the world. This drink burden makes two-thirds of our crime."

They do say that Mrs. Carlisle, is now the Lucy Hayes of Washington and that last season she disagreed to the point of 'coolness' with a Kentucky friend, with whom she was to receive New Year's calls, and who insisted on "Punch" as a feature of the cateriainment. In Carrolton, Georgia, the sale of liquor was prohibited five years ago and the amount of trade has increased from \$200,000 to \$500,000 and there is not one merchant in thirty who would not vote against the reinstatement of the traffic on purely business principles. Georgia has \$4 counties where whisky can not be had except in some few of the larger towns.

Who were entitled to vote, with exception, which she has so long and so itself borne? If the good men of this county, office seekers, voters and non partizans would but so determine the result is already accomplished, and there will be a political millenium in this country. The result of the last election proves that this end can be easily attained. All good, solid men, who were entitled to vote, with exception. who were entitled to vote, with excepcours of course for absentees, voted here in that election, and those who came to The Sunday-school will re-open at Antioch to-morrow week at 3 p. m.

PIANOS AND ORGANS! --- EASY TERMS!

In buying a Piano or Organ many persons have the idea that they must pay all cash. There are thousands of families who have an income of fifty to one hundred dollars per month, who can easily spare from five to ten dollars of it and scarcely miss it. To all such we would say, do not wait to lay up enough to pay for an instrument before buying, but see or write us at once for our terms. We will satisfy you that we are giving easier terms than any Music House in the United States.
